**LinkedIn profile**

## **EDUCATION**

### **Sep 2015 - Now**

AIV M2 MSc in Systems and Synthetic Biology. University Paris Diderot, Paris, France.

### **Sep 2013 – Sept 2014**

MSc Systems and Synthetic Biology. University of Aberdeen, College of Life Sciences and Medicine, Department of Medical sciences, Aberdeen, United Kingdom

### **Sep 2006 – Feb 2013**

BSc Mathematics (4 years program). University of Crete, Department of Mathematics, Heraklion, Greece

### **Sep 2003 – Jun 2006**

3rd High School of Chalkida, Chalkida, Greece

## **RESEARCH**

### **Apr 2016 – Jul 2016**

Internship researcher in Microfluidics for Cancer. University Paris Descartes, UMRS1147.

Translational-Research-and-Microfluidics, Paris, France

**Project:** Resistance prediction to targeted cancer treatment with microfluidic platforms under supervision of Dr Valérie Taly.

**Jan 2016 – Apr 2016**

Internship researcher in Cancer related project. Institute Curie, Immunity and Cancer, U932, Paris, France

**Project:** The Tumor MicroEnvironment Global Analysis under supervision of Dr Vassilis Soumelis.

**Sep 2015 – Dec 2015**

Internship researcher in HIV and Cancer project. Institute Curie, Immunity and Cancer, U932, Paris, France

Project: Development of new methods and quantification in the study of nuclear envelope breaching and consequences in immune responses under supervision of Dr Nicolas Manel.

**Oct 2014 – Sep 2015**

Volunteer Researcher in Cancer related projects. National and Kapodistrian University of Athens, Medical School, Molecular Carcinogenesis Group, Laboratory of Histology-Embryology, Athens, Greece

**Sep 2013 – Sep 2014**

MSc Systems and Synthetic Biology. University of Aberdeen, College of Life Sciences and Medicine, Department of Medical sciences, Aberdeen, United Kingdom.

Master's degree project: Synthetic gene network for associative learning under supervision of Dr Yasushi Saka. (Grade: Merit)

**OTHER WORK EXPERIENCES****Jun 2015 - Aug 2015**

Team leader in a sport camp for children 6-14 years old.

**Feb 2013 - Aug 2014**
